Final webinar of ECBS project

THURSDAY
10TH DECEMBER 2020

Ladies and Gentlemen,

The final multiplier event of the European Cross-Border Skills project will take place on

Thursday, December 10th 2020 from 9:30 to 12:30 as an online webinar.

The **European Cross-Border Skills (ECBS)** project is a strategic partnership for higher education that started in 2017 with support from the European Union through the Erasmus+ programme. The ECBS project aims at highlighting the cross-border knowledge and skills developed by students and staff. Therefore several cross-border regions have teamed up and have developed a **joint platform allowing students and staff of cross-border universities to certify their cross-border competencies** and experiences. ECBS is thus a concrete example how **micro-credentials** can be obtained on a European scale.

As a partner of the project, Eucor – The European Campus is glad to invite you to attend the event. Please register on <https://european-crossborder-skills.eu/en/events/ecbs-closing-event-2020-12-10.html>.

Programme

9:30

Greeting by Mr Janosch Nieden, director of the EGTC Eucor – The European Campus
